INDEPENDENT AUDITOR'S REPORT

Board of County Commissioners
Hodgeman County, Kansas

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash of Hodgeman County, Kansas as of and for the year ended December 31, 2017, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note A; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the *Kansas Municipal Audit and Accounting Guide*. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note A, the financial statement is prepared by the County on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note A and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the “Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles” paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of Hodgeman County, Kansas as of December 31, 2017, or changes in financial position and cash flows thereof for the year then ended.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balances of Hodgeman County, Kansas as of December 31, 2017, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note A.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash (basic financial statement) as a whole. The summary of regulatory basis expenditures – actual and budget, individual fund schedules of regulatory basis receipts and expenditures, and summary of regulatory basis receipts and disbursements – agency funds, (Schedules 1, 2, and 3 as listed in the table of contents) are presented for analysis and are not a required part of the basic financial statement, however are required to be presented under the provisions of the *Kansas Municipal Audit and Accounting Guide*. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note A.

We also previously audited, in accordance with auditing standards generally accepted in the United States of America, the basic financial statement of Hodgeman County, Kansas as of and for the year ended December 31, 2016 (not presented herein), and have issued our report thereon dated September 21, 2017, which contained an unmodified opinion on the basic financial statement. The 2016 basic financial statement and our accompanying report are not presented herein, but are available in electronic form from the website of the Kansas Department of Administration at the following link: <http://admin.ks.gov/offices/chief-financial-officer/municipal-services>. The 2016 actual column (2016 comparative information) presented in the individual fund schedules of regulatory basis receipts and expenditures for the year ended December 31, 2017 (Schedule 2 as listed in the table of contents) is also presented for comparative analysis and is not a required part of the basic financial statement. Such 2016 comparative information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2016 basic financial statement. The 2016 comparative information was subjected to the auditing procedures applied in the audit of the 2016 basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2016 basic financial statement or to the 2016 basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the 2016 comparative information is fairly stated in all material respects in relation to the 2016 basic financial statement as a whole, on the basis of accounting described in Note A.

HODGEMAN COUNTY, KANSAS

NOTES TO THE FINANCIAL STATEMENT

December 31, 2017

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies applied in the preparation of the accompanying financial statement is presented to assist in understanding the County's financial statement. The financial statement and notes are representations of the County's management, which is responsible for their integrity and objectivity.

1. Municipal Financial Reporting Entity

Hodgeman County, Kansas is a municipal corporation governed by an elected five-member commission. This regulatory financial statement does not include the related municipal entities shown below. A related municipal entity is an entity established to benefit the County and/or its constituents.

Hodgeman County Hospital. The members of the governing board of the Hospital are appointed by the County Commissioners. This board is accountable to the County Commission for fiscal matters. Complete financial records for the Hospital can be obtained from their administrative offices at 809 W. Bramley St., Jetmore, Kansas 67854.

Hodgeman County Extension Council. The Council provides services in such areas as agriculture, home economics, and 4-H club, to all persons in the County. The Council has an elected board for its governing body. The County annually provides significant operating subsidies to the Council. Complete financial records for the Council may be obtained from their administrative offices at the Hodgeman County Courthouse, Jetmore, Kansas 67854.

2. Basis of Presentation – Fund Accounting

The accounts of the County are organized and operated on the basis of funds. In governmental accounting, a fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance related legal and contractual provisions. The minimum number of funds is maintained consistent with legal and managerial requirements.

The following types of funds comprise the financial activities of the County for the year ended December 31, 2017:

REGULATORY BASIS FUND TYPES

General fund - the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

Special Purpose funds - used to account for the proceeds of specific tax levies and other specific regulatory receipt sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

Bond and Interest funds - used to account for the accumulation of resources (including tax levies, transfers from other funds, etc.) and payment of general long-term debt.

Agency funds - used to report assets held by the municipal reporting entity in a purely custodial capacity (payroll clearing funds, tax collection accounts, etc.).

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

3. Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America

The *Kansas Municipal Audit and Accounting Guide* (KMAAG) regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The County has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the County to use the regulatory basis of accounting.

4. Budgetary Information

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), and bond and interest funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

- a. Preparation of the budget for the succeeding year on or before August 1st.
- b. Publication in local newspaper on or before August 5th of the proposed budget and notice of public hearing on the budget.
- c. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
- d. Adoption of the final budget on or before August 25th.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in regulatory receipts other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication, the hearing may be held and the governing body may amend the budget at that time. There were no such budget amendments for this year.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

4. Budgetary Information (Continued)

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which regulatory receipts are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the municipality for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year end.

A legal operating budget is not required for agency funds, the Hospital Bond Debt Service Reserve fund, No-Fund Warrants Proceeds fund, and the following special purpose funds:

Special Machinery	Clerk Technology
Special Highway Improvements	Treasurer Technology
Ambulance Equipment	Bioterrorism Grant
Prosecuting Attorney Trust	Micro Loan Grant Revolving
Special Motor Vehicle	Rural Fire Equipment
Register of Deeds Technology	E911 Sheriff Grant
Municipal Equipment Reserve	Law Enforcement Trust
Capital Improvements	Energy Grant

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

B. COMPLIANCE WITH KANSAS STATUTES

References made herein to the statutes are not intended as interpretations of law, but are offered for consideration to the Director of Accounts and Reports, Kansas Department of Administration, and legal representatives of the County.

At December 31, 2017, the Bioterrorism Grant fund had an unencumbered cash deficit of \$435, which is a violation of K.S.A. 10-1113. However, according to K.S.A. 12-1664 the County is not prohibited from financing the federal share of a local program from current funds if available.

C. DEPOSITS AND INVESTMENTS

K.S.A. 9-1401 establishes the depositories which may be used by the County. The statute requires banks eligible to hold the County's funds to have a main or branch bank in the County, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The County has no other policies that would further limit interest rate risk.

C. DEPOSITS AND INVESTMENTS (CONTINUED)

K.S.A. 12-1675 limits the County's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The County has no investment policy that would further limit its investment choices.

Custodial credit risk - deposits. Custodial credit risk is the risk that, in the event of a bank failure, the County's deposits may not be returned to it. State statutes require the County's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka. All deposits were legally secured at December 31, 2017.

At December 31, 2017 the County's carrying amount of deposits was \$9,190,279 and the bank balance was \$9,261,787. Of the bank balance, \$500,000 was covered by federal depository insurance, and \$8,761,787 was collateralized with securities held by the pledging financial institutions agents in the County's name.

D. DEFINED BENEFIT PENSION PLAN

Plan Description. The County participates in the Kansas Public Employees Retirement System (KPERS), a cost-sharing, multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et. seq. Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Comprehensive Annual Financial Report, which can be found on the KPERS website at www.kpers.org or by writing to KPERS (611 South Kansas, Suite 100; Topeka, KS 66603), or by calling 1-888-275-5737.

Contributions. K.S.A. 74-4919 and 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009, and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate at 6% of covered salary for KPERS 1, KPERS 2 and KPERS 3 members. Member contributions are withheld by the County and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

State law provides that the employer contribution rates for KPERS 1, KPERS 2, and KPERS 3 be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 1% contribution rate with a 0% moratorium from the period of January 1, 2017 through September 30, 2017 for the Death and Disability Program) and the statutory contribution rate was 8.46% for the fiscal year ended December 31, 2017. Contributions to the pension plan from the County were \$129,990 for the year ended December 31, 2017.

D. DEFINED BENEFIT PENSION PLAN (CONTINUED)

Net Pension Liability. At December 31, 2017, the County's proportionate share of the collective net pension liability reported by KPERS was \$1,217,905. The net pension liability was measured as of June 30, 2017, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2016, which was rolled forward to June 30, 2017. The County's proportion of the net pension liability was based on the ratio of the County's contributions to KPERS, relative to the total employer and non-employer contributions of the Local subgroup within KPERS. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in this financial statement. The complete actuarial report including all actuarial assumptions and methods, and the report on the allocation of the KPERS net pension liability to all participating employers are publicly available on the website at www.kpers.org or can be obtained as described above.

E. OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS

Other Post Employment Benefits. As provided by K.S.A. 12-5040, the County allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the County is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in this financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the County makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured.

Vacation Leave. The County's policies regarding vacation permits non-elected employees with one year of employment to earn ten days of vacation. Employees with greater than ten years of employment earn fifteen days of vacation per year. All employees are allowed to carry over vacation one year past their anniversary date for a maximum accumulation of twenty days for employees with ten years of service or less and thirty days for employees with more than ten years of service. Upon termination or resignation from service with the County, employees are entitled to payment for all accumulated vacation earned prior to termination or resignation, provided two weeks notice is given.

Sick Leave. All non-elected employees on permanent status earn sick leave at the rate of one calendar day per month of service with a maximum accumulation of ninety days. Part-time employees do not earn sick leave. No allowance for unused sick leave is paid upon termination, resignation, or retirement.

Section 125 Cafeteria Plan/Health Insurance. The County offers a Section 125 cafeteria plan for all employees electing to participate. Participants use this for health insurance premiums, other medical costs, and dependent care costs. The plan is administered by an independent company.

Section 457 Deferred Compensation Plan. The County offers employees a deferred compensation plan created in accordance with Internal Revenue Service Code Section 457.

F. LONG-TERM DEBT

Changes in long-term liabilities for the County for the year ended December 31, 2017, were as follows:

<u>Issue</u>	<u>Balance beginning of year</u>	<u>Additions/ net change</u>	<u>Reductions/ net change</u>	<u>Balance end of year</u>	<u>Interest paid</u>
General obligation bonds:

Special motor vehicle	General	K.S.A. 8-145	8,038
Rural fire	Rural fire equipment	K.S.A. 19-3612c	<u>40,000</u>
			<u>\$ 96,538</u>

H. CONDUIT DEBT OBLIGATIONS

The County has issued Industrial Revenue Bonds to provide financial assistance to private-sector entities for the acquisition and construction of commercial facilities deemed to be in the public interest. The bonds are secured by the property financed and are payable solely from payments received on the underlying mortgage loans. Upon repayment of the bonds, ownership of the acquired facilities transfers to the private-sector entity served by the bond issuance. Neither the County, the State, nor any political subdivision thereof is obligated in any manner for repayment of the bonds. Accordingly, the bonds are not reported as liabilities of the County.

As of December 31, 2017, there was one series of Industrial Revenue Bonds outstanding, with an aggregate principal amount payable of \$175,000.

I. MEDICAL SELF INSURANCE

Hodgeman County maintains a self-insurance program that is handled by an outside administrator who determines claims to be paid by the County. A stop loss insurance policy is purchased by the County to cover claims above \$20,000 per employee. Changes in claims liability for the past two years have been as follows:

	<u>Beginning of year liability</u>	<u>Claims and changes in estimates</u>	<u>Stop loss reimbursement</u>	<u>Claim payments</u>	<u>End of year liability</u>
2016	\$ 149,462	\$ 698,321	\$ 258,435	\$ 486,105	\$103,243
2017	103,243	929,236	284,371	748,108	–

J. RISK MANAGEMENT

The County is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; natural disasters; and medical needs of employees. The County participates in public entity risk pools to cover property, liability and worker's compensation claims. There have been no significant reductions in coverage from the prior year. Settled claims from these risks have not exceeded insurance coverage in the past three years.

K. PUBLIC ENTITY RISK POOLS

The County is a member of the Kansas Workers Risk Cooperative for Counties (KWORCC), a group-funded pool for workers compensation coverage which was formed through the Kansas Municipal Group-Funded Pool Act, K.S.A. 12-2616, et seq. This is a public entity risk pool which operates as a common risk management and insurance program for member counties. The County pays an annual contribution to the Cooperative as determined by the Board of Trustees based upon experience modification factors, payroll audits and any other bases the Board considers appropriate. It is not possible to estimate the maximum contributions which could be required. KWORCC covers claims up to \$750,000 each and aggregate excess reinsurance provides aggregate coverage up to \$1,000,000. Except for required contributions, no member can be held responsible for any claims made against any other member.

K. PUBLIC ENTITY RISK POOLS (CONTINUED)

The County is a member of the Kansas County Association Multi-Line Pool (KCAMP), a group-funded pool for property, liability, crime and surety coverage which was formed through the Kansas Municipal Group-Funded Pool Act, K.S.A. 12-2616, et seq. This is a public entity risk pool which operates as a common risk management and insurance program for member counties. The County pays an annual contribution to the Pool as determined by the Board of Trustees. It is not possible to estimate the maximum contributions which could be required. KCAMP covers property loss up to the scheduled amount of values on file which is \$16,970,944, \$500,000 for liability and \$1,000,000 for crime. Excess reinsurance provides aggregate coverage up to \$3,000,000 for liability. Except for required contributions, no member can be held responsible for any claims made against any other member.

L. CLOSURE AND POST-CLOSURE CARE COST

State and federal laws and regulations require the County to place a final cover on its landfill site when it stops accepting waste and to perform certain maintenance and monitoring functions at the site for thirty years after closure. Closure and post-closure care costs will be paid only near or after the date that the landfill stops accepting waste.

The estimated closure cost is \$599,183 and the estimated post-closure cost is \$510,297. These figures comprise the estimated closure and post-closure cost of \$1,109,480 and are obtained from the 2018 Annual Cost Estimate Worksheets for Permit Renewals during July 1, 2018 to June 30, 2019. The permit for 2018 identifies that the remaining volume capacity of the site is 68.51% of the original capacity and that the remaining life of the landfill is estimated to be 113 years. Actual costs may be higher or lower due to inflation or deflation and changes in technology or applicable laws and regulations.

The County is meeting the financial assurance requirements through the Local Government Financial Test. This test involves four components: financial, public notice, recordkeeping and reporting, and calculation of costs to be assured. The County has satisfied all four requirements.

M. CONTINGENCIES

The County receives Federal and State Grants for specific purposes that are subject to review and audit by Federal and State agencies. Such audits could result in a request for reimbursement for expenditures disallowed under the terms and conditions of the appropriate agency. In the opinion of County management, such disallowances, if any, would be insignificant.

N. SUBSEQUENT EVENTS

Management has evaluated subsequent events through November 9, 2018, the date on which the financial statement was available to be used. Management's evaluation concluded that there are no subsequent events that are required to be recognized or disclosed in the financial statement.
